**LAST CALL TO
SUPPORT
UNITED
WAY YUKON!**

EACH OCTOBER, the United Way, with generous supporters like you, raises \$150,000+. Each spring, that money goes out to local Yukon charities to help them support happy, healthy living through innovative projects that:

- enrich the lives of children, youth and families;
- assist people living with disabilities;
- combat poverty; and
- combat drug and alcohol abuse.

How You Can Give

- 1) Donate through automatic payroll deduction – one hour of pay per month makes a real difference!
- 2) Make a one-time donation

With a credit card, donate securely online at unitedwayyukon.ca

By cheque, mail your donation to: PO Box 31731, Whitehorse, Yukon Y1A 6L3

Thank you for supporting United Way Yukon!

PREP TIME—HAS YOURS BEEN CUT? There is a shortage of Teachers on Call and YG is having difficulty in filling all staff vacancies. 12.5% of your class time must be “Preparation Time” which is a hard won right of yours under the Collective Agreement. YG’s difficulty in hiring TOCs and filling vacancies does not mean you should miss out on your Prep Time which is critical for your success as a Teacher. Rather than take prep time away from teachers due to staff shortages, YG needs to rethink how they secure and reward/pay staff so that it can properly fill staffing vacancies.

Has your Prep time been cancelled recently?

Were you given time to make up this missed Prep time?

Keep a diary and track all prep time that you have missed out on.

YTA wants to hear from you with this information – call or email YTA about prep time you have missed out on or not been provided!
