PD UPDATE

TOC: After discussing many approaches across Canada in regards to teachers-on-call (TOC) access to the PD Fund, the PD Committee is recommending that TOC's have the same access to the PD Fund as active members have. Please discuss this with your colleagues and send your feedback to pd@yta.yk.ca or pres@yta.yk.ca.

Bookkeeper Resignation: We regret to announce the resignation of our bookkeeper, Deanna Bailey. We thank her for having worked with YTA for two years. As hiring of professional staff can be challenging during financial end of year, YTA will be engaging an accountant to undertake processing payments between now and the start of the next school year.

REMINDER: When discussing YTA related matters, please ensure that only YTA members are in the room.
