MISSING OUT FROM A LACK OF TOCS? YTA needs your help! We need hard figures of “missed opportunities” from as many of our members as possible to show just how widespread the issue is. **YTA will be putting out a survey, via ‘in the loop’, this week;** it closes June 16 at midnight. (This is the first of three survey’s we’ll be sending out to gather as much data as possible.)

HAVE YOU BEEN SCREENED OUT? Anyone eligible for certification as a teacher in Yukon is eligible to compete in the hiring process for any teacher vacancy posted in Yukon schools. This includes all postings at Yukon Catholic Schools. If you have been screened out on Catholic postings, please contact the YTA office.

PR COMMITTEE IS LOOKING FOR MEMBERS! If you are interested in bringing educators, parents and students together, throwing events and contests, developing a strong YTA brand and supporting fellow educators, contact, your PR chair Gianni Cappellano at publicrelations@yta.yk.ca to be part of this team.

PD DEADLINE! If you attended a PD event in 2018/19 and haven’t submitted your expense claim by July 31, no reimbursement will be issued! *We require **itemized receipts** for hotels, transportation and events/courses which clearly state your name, what is being paid for and the amount.* The 30-day rule to submit expense claims and receipts will be enforced starting August 1st, 2019. The office is closed over the summer, but you can still apply for events on-line. I will be working periodically throughout that time and can be reached at pd@yta.yk.ca.
