HAVE YOU TAKEN THE TOC SURVEY? YTA needs your help! We need hard figures of “missed opportunities” from as many of our members as possible to show just how widespread the issue is. **The survey** was sent via ‘in the loop’ and is available on the members only side of the YTA website; it **closes SUNDAY** at midnight. (This is the first of three survey’s we’ll be sending out to gather as much data as possible.)

PD DEADLINE! If you attended a PD event in 2018/19 and haven’t submitted your expense claim by July 31, **no reimbursement will be issued!** We require itemized receipts for hotels, transportation and events/courses which clearly state your name, what is being paid for and the amount. The 30-day rule to submit expense claims and receipts will be enforced starting August 1st, 2019. The office is closed over the summer, but you can still apply for events on-line. I will be working periodically throughout that time and can be reached at pd@yta.yk.ca.

AN INVITATION FROM THE FH COLLINS CLASS OF 1979: The organizers would like to invite all educators who taught them from elementary (1967) through to the finish in 1979, to an informal gathering on Friday, July 12th at the FH Collins Main Foyer from 7pm - 10pm. This is a drop in where they will be serving hot and cold beverages along with nibblies. They would love to see you and hope you will attend.
